

CORPORATE OVERVIEW

INNOVATIVE THINKING, MEASURABLE RESULTS

Pragmatics applies innovative thinking to design and deliver quality-assured solutions that generate measurable business outcomes for critical missions of national importance.

For more than three decades, Pragmatics has engaged directly with our clients to solve complex challenges that require advanced technical knowledge, as well as an in-depth understanding of each client's mission and domain.

INDUSTRY-LEADING METHODOLOGIES

Pragmatics has developed innovative methodologies for Agile Development, Independent Verification and Validation (IV&V), and Cybersecurity.

Through this powerful combination of technical prowess and proven experience, we stand out in the competitive landscape as visionary architects who think ahead, innovate continuously, and deliver superb results.

ADVANCED CERTIFICATIONS TO SUPPORT PROCESS INNOVATION

Pragmatics has pursued and earned increasingly higher levels of certification as our capabilities have advanced.

Our notable achievements include CMMI® Level 5, the pinnacle of CMMI achievement, as well as ISO 9001-2015, ISO/IEC 20000-1, and ISO/IEC 27001.

CORE SOLUTIONS AND INNOVATIONS

- Pragmatics Disciplined Agile
- DevSecOps
- Systems Engineering
- Data Analytics & Machine Learning
- CI/CD Pipeline Development
- IT Service Management
- Cybersecurity
- Cloud Based Application Modernization
- Independent Verification & Validation
- Infrastructure Solutions
- Audiovisual & Networking Technologies
- Transportation Solutions

TRUSTED PARTNER TO GOVERNMENT

Pragmatics serves as a trusted partner to federal government clients in both the defense and civilian sectors. We provide innovative solutions developed through proven methodologies that deliver measurable results in full alignment with each agency's mission.

THINK. INNOVATE. DELIVER.

Contact Pragmatics today to explore the ways our team of innovators can design a solution to help your organization achieve the next level of success. Learn more online at www.pragmatics.com or call 703.890.8500.

GSA Alliant 2 Unrestricted

- Named “Best in Class in Information Technology Solutions” by the Office of Management and Budget (OMB).
- *What does “Best in Class” do for You?* The Best-in-Class acquisition designation identifies government-wide contracts that satisfy key criteria defined by OMB. Best-in-Class solutions are vetted, well-managed, and recommended and, in some cases, required for use.
- In short, Best-in-Class:
 - Allows acquisition experts to take advantage of pre-vetted, government-wide contract solutions;
 - Supports a government-wide migration to solutions that are mature and market-proven;
 - Assists in the optimization of spending within the government-wide category management framework; and
 - Increases the transactional data available for agency-level and government-wide analysis of buying behavior.

GSA Alliant 2 Contract

- 51 large business primes offer plenty of choice.
- 10-year GWAC contract available to the entire Federal Government.
- A robust scope aligned with the Federal Enterprise Architecture (FEA) and Department of Defense Enterprise Architecture (DoDEA).
- Access to a full range of comprehensive IT services and IT services-based solutions.
- Flexibility as emerging technologies and the definition of information technology evolve.
- A full spectrum of contract types, including cost reimbursement.
- Limited protest ability.
